

We; Amial for Oil Services & Technical Support (AOSTS), committed to deliver the best quality, cost effective on time execution of general, commercial and industrial services, and we take all possible measures to remove (or at least reduce) risks to the health, safety and welfare of workers, contractors and anyone else who may be affected by our operations.

We set objectives and targets to measure our performance and identify opportunities for improvement.

We continuously review, adhere and improve our processes and the effectiveness of our Quality Management System to achieve or exceed customer satisfaction.

AOSTS also operates in compliance with local legislation requirements
